

**U.S. SKI & SNOWBOARD
Designated Committees
Term Limit Policy**

Designated Committees, as defined in the U.S Ski & Snowboard's [bylaws](#), are subject to term limits of no more than eight (8) years of continuous service. The following committees are defined as Designated Committees in the bylaws:

- 1) Executive Committee
- 2) Nomination and Governance Committee
- 3) Sport Committees
- 4) Judicial Committee
- 5) Ethics Committee
- 6) Audit Committee
- 7) Finance Committee
- 8) Compensation Committee
- 9) Selection Committee

Whether a committee member is serving a 2-year or 4-year term, the committee member cannot serve more than eight continuous years on the committee in a voting role. After the term limit, an individual can take a non-voting or emeritus role for the period equivalent to the committee term and then may be put forward as a nominee for a voting role.
