

## 2018-19 Cross Country World Cup Team Selection Criteria

### Eligibility for Consideration:

U.S. Ski & Snowboard will consider for selection only those U.S. Ski & Snowboard members in good standing who have a valid U.S. passport, a valid USA-coded FIS license and who meet FIS minimum eligibility standards.

### Criteria Guidelines:

- U.S. Ski & Snowboard policy mandates that team selection criteria shall be principally objective (or performance-based) and that available start rights and team spots will not necessarily be filled.
- The U.S. Ski Team Head Coach is responsible for applying the selection criteria set forth herein, subject to the oversight of the U.S. Ski & Snowboard VP of Athletics.
- No minimum team size will be established.
- The team selected by U.S. Ski & Snowboard may consist of any number of athletes up to the FIS World Cup quota for the United States.
- The quota of start rights per nation is set annually by the FIS.
- Objective selections shall be based on the results achieved by athletes in FIS competitions scored to the FIS points list, World Cup competitions held during the 2017/2018 and 2018/2019 seasons, and U.S. Ski & Snowboard SuperTour events held in the 2017/2018 and 2018/2019 seasons and select Nor/Am competitions held in the 2017/2018 and 2018/2019 seasons.
- Athletes who have not met the General Criteria may be selected to the team via discretion if they satisfy any of the following:
  - Outstanding competition results from the 2017/2018 and 2018/2019 seasons, including as a member of a team event, indicating a potential for World Championship success.
  - Recent positive direction or trend of competition results indicating a potential for Olympic or World Championship success.
  - Indication of medal potential in future Olympic or World Championship competition (such as international age group results and age rankings) that would be materially enhanced by selection to the team.
- Discretionary selections, if any, may be based on a variety of factors, including competitions conducted outside of the selection period.
- Team status does not include funding from U.S. Ski & Snowboard, nor does it automatically include ski service. SuperTour leaders will be required to pay a fee for waxing/service and/or may be asked to provide their own serviceman/technician.
